DELIUS: ORCHESTRAL MUSIC ARRANGED FOR TWO PIANOS
Simon Callaghan and Hiroaki Tachenouki

Sponsored by The Delius Society and recorded by SOMM Records, this is another newly-issued CD - giving an unusual slant on Delius's music. This, together with a second volume which will follow in the Autumn, will contain all the two-piano transcriptions of Delius's orchestral works, arranged almost entirely by friends of the composer.

A limited number of copies are available to Members and friends at the undermentioned special prices. The CD contains the following works:

A Dance Rhapsody (No. 1) (arr. Percy Grainger)
On hearing the First Cuckoo in Spring (arr. Rudolf Schmidt-Wunsdorf)
Brigg Fair (arr. Philip Heseltine)
Poem of Life and Love (arr. Balfour Gardiner)
A Song of Summer (arr. Eric Fenby)
La Calinda (arr. Joan Trimble)

The second volume will feature: *Paris, Eventyr* (piano duet), *The Song of the High Hills* and *Fantastic Dance*.
